

MILFORD HIGH SCHOOL BOOSTERS CLUB, INC.

November 2009

Milford High School Community,

This is an exciting time at Milford High School, the first semester is coming to a close, the fall sports season is winding down, and the winter sports teams are getting ready for an exciting winter season.

As a proud parent of my second Milford High School student-athlete, I have become accustomed to the support the community gives to the many sports teams here at the high school. The Milford High School Boosters Club has been a major part of the support system at the high school for many years. I want to thank all of those that came before us in creating the tradition of the Milford High School Boosters.

The time is also an exciting one for the Milford High School Boosters Club, Inc., we are in the process of reorganizing, and are in need of volunteers to serve on the committees and fundraising events that will be scheduled to take place. A major membership drive is being kicked off to rebuild the tradition that this club has held for many years in Milford. The booster club has over the years, supported all of the sports teams and athletes with scholarships, awards, equipment purchases, banner updates, fundraising, team building activities and many other areas as requested by the teams and Athletic Director.

The Milford High School Boosters Club can only continue if the membership base grows. Join us for the monthly meetings, the first Wednesday of each month; bring your ideas and any level of expertise that can assist the club in achieving its goals. In the coming years there will be many different ways to take part in booster activities, serve as parent representatives of a team, volunteer for a committee, or work a fundraising event. The opportunities are endless!

The boosters are a Non-Profit organization; all funds raised will be used for the benefit of the athletic programs and the student-athletes at Milford High School. Please consider joining the club, the student-athletes need your support. The time is now to get this group headed back to the days of its glory.

With our Student-Athletes in mind,

Tim Corcoran
President, Milford High School Boosters Club, Inc.
